Hand-drawn floor plan of the 1323 building. The plan shows a central corridor labeled "COR. FR. FLR & RE FR. WALLT." leading to various rooms. On the left side, there is an "OIL RM." and a "STORE RM. FIRE PROOF COATED". On the right side, there is a "PRINT RM.", a "MACH. RM.", and another "STORE RM.". A "BL. RM." is located at the bottom right. The building number "1323" is written near the entrance.
